

# 3<sup>rd</sup> Annual Hike Day!

Saturday, Sept. 14  
10am

Join Colorado's online public school community at four different locations around the state ([event info](#)) as we celebrate Recreational Safety Week and pay tribute to Jaryd. Meet at the trailheads at 10am. End time depends on the pace of the hike, but most will take 1-3 hours. Bring a picnic lunch & plenty of water!

On October 2, 1999, 3-yr old Jaryd Atadero went missing in the Colorado wilderness. Despite a massive search & rescue effort, Jaryd was never found. As an important reminder of the need for recreational safety, the State of Colorado and Governor Hickenlooper have proclaimed September 8 –15, 2013 as Recreational Safety Awareness Week in Jaryd's memory.
